It is herein agreed that:

The copyright to the contribution identified above is transferred from the Author to the Science and Technology Publications, Lda (SCITEPRESS). The copyright transfer covers the exclusive, sole, permanent, world-wide, transferable, sub licensable and unlimited right to reproduce, publish, transmit and distribute the contribution, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of similar nature, including publication in the aforementioned book or any other book. SCITEPRESS is also entitled to carry out editorial changes in the contribution with the sole purpose of enhancing the overall organization and form of the contribution. The Author retains the rights to publish the contribution in his/her own web site or in his/her employers web site, as long as it is clearly stated that the contribution was presented at BIOIMAGING 2016 and a link to the BIOIMAGING web site is made available there.

The Author warrants that his/her contribution is original, except for such excerpts from copyrighted works as may be included with the permission of the copyright holder and author thereof, that it contains no libelous statements, and does not infringe on any copyright, trademark, patent, statutory right, or propriety right of others. The Author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.

In return for these rights:

The publisher agrees to have the identified contribution published, at its own cost and expense, in the conference proceedings.

The undersigned hereby gives permission to SCITEPRESS to have the above contribution published.
